

Church Point Pentecostals: Baby Dedications

At the Church Point Pentecostals, we believe that baby dedications are very important to the family. We will be going to a new baby dedication format in order to enhance the family's experience. Baby dedications will now be scheduled on a quarterly system, with one service committed to baby dedications per quarter. Pastor Rick Pavlu will be performing each baby dedication, as well as preaching a family-centered message for each dedication service. All babies scheduled for the dedication service will be escorted to the front of the church with their families. Each baby will be dedicated individually by the pastoral staff and ministerial team of the Church Point Pentecostals. After the dedication service, the Pastor will present each baby with the baby's first Bible.

Media Presentation:

One baby dedication video will be made to be presented at each baby dedication service. Each family will be allowed to provide personal pictures to be included in the media presentation. Each baby will receive equal coverage in the video, and the presentation order will be based on the baby's date of birth (older babies being on video first). This service will be provided to each family free of charge.

If you wish to have your baby dedicated, please fill out and turn in the Baby Dedication Form (second page) to Associate Pastor Rick Hardwick by the deadline listed.

Media Requirements:

Photos: please turn in no more than 25 photos of your child to Rick Hardwick by the deadline listed.
