

The Church Point Pentecostals

Maintenance Ministry

Maintenance Director:
Jim Schmitt

First impressions are vitally important to the success of any organization. In the church, these first impressions are usually visual. A message is being sent even before the first word is spoken. The maintenance ministry team makes sure that this message is a positive one. They work to ensure that the church is a safe, friendly, and enjoyable experience for everyone.

Workers in the maintenance ministry are responsible for the general care and upkeep of the church building and campus. This includes maintenance of buildings, care of parking lots, maintenance of all safety features, and landscaping of the grounds.

Duties are distributed and assigned to the staff depending on the need and function of the campus. The buildings and grounds are maintained to ensure proper operation for functions such as weddings, funerals, conferences, dramas, and all other scheduled events. In the event of any major decisions or repairs, the division leader is contacted for further instructions.

Mission

To make The Church Point Pentecostals a safe and enjoyable place for the whole family.

Vision

To ensure that the church buildings and grounds continue to meet the needs of our growing congregation as we journey toward our 20/20 vision.

Passion

A joy of serving God and His church.
