

The Church Point Pentecostals

Women's Ministry

Director:

Sandra LaFleur

Women's Ministry is the medium by which the women of The Church Point Pentecostals serve their church and local community.

Prayer Group

Women's prayer groups meet to pray for the needs of the church family and community. These groups emphasize addressing the challenges that our women and children face daily.

Fundraisers

Women's Ministry fundraisers are organized to benefit Mother's Memorial, Tupelo Children's Mansion, and the Lighthouse Boys Ranch; as well as local projects and needs.

Coordinators

Women's Ministry coordinators work to schedule benevolence dinners, baby and wedding showers, and other events relating to the women of The Church Point Pentecostals.

Visitation

This ministry focuses on visiting church members or families of church members who are hospitalized or homebound.

Vision

To see every woman grow in her relationship with Jesus, to encourage and assist her in developing her unique gifting, and to provide her with opportunities to be used in service and ministry for the Lord.

Mission

To help women find their purpose and passion in the kingdom of God through prayer, God's word, and Christian fellowship.

Passion

To make a difference in every life we touch; to love and serve the Lord with our whole heart and strength. For the joy of the Lord is your strength (Nehemiah 8:10).
