

The Church Point Pentecostals

# Youth Ministry

Director:

Jonathan Walton

Driven student ministry is the total youth ministry of the Church Point Pentecostals. Driven consists of three major divisions: Core, Legacy, and Pulse. Driven's mission is to reach every new generation of youth with the Gospel of Jesus Christ, train leaders for future church service, and instill the principles of wisdom's seven pillars into every young person we encounter.

Core:

The Core is the older youth leaders dedicated to lead younger generations in the pursuit of Christ. This group meets twice a month to plan youth fun events, services, and fundraisers. They are the elite examples of what Christ should be in young people.

Legacy:

Legacy is the training ground for future leaders. These students meet once a week for one hour of leadership training. We teach principles that apply not only to spiritual life, but everyday situations as well. These students learn the basic principles taught under the seven pillars of wisdom, and receive the tools they need to be successful leaders in all areas of life.

Pulse:

Pulse is the youth group's elite prayer team. It consists of any young person who desires to draw closer to God, establishing a true intimate relationship.

Classes:

Driven's classes are divided into three sections:

- \* ages 12-13
- \* 14-graduation
- \* Young Adults

These classes meet every Sunday morning from 10:00-10:45am.

Vision:

To double our youth group by the year 2012. To give every young person the tools they need to be successful in life, and to teach them how to establish a relationship with God.

Mission:

- \* To reach the unreachable
- \* Teach the unteachable
- \* Love the unloveable
- \* Acquire the unattainable
- \* Connect with our church's 20/20 vision
- \* Change everything
