

Church Point Pentecostals: Wedding Guideline Form

A meeting must be set-up between the bride, wedding consultant, and the Church Activity Coordinator one (1) week prior to rehearsal to outline a program for the wedding. Only minor changes may be made, if needed, at the rehearsal. The bride and groom must clear ALL wedding plans through the Church Activity Coordinator; the coordinator will be present at the rehearsal and at the ceremony.

It is the responsibility of the applicant for an event at the church to make sure that all guidelines are followed.

General Church Guidelines:

Candles: When using candles in candelabras or the unity candle, a plastic runner must protect the carpet.

Songs: Most love songs are appropriate. However, all songs must be cleared through the Church Activity Coordinator.

Rings: A ring ceremony is not performed. Rings may be exchanged at the unity candle.

Attire: Bride and bridesmaid's dresses, etc. should be within the limits of modesty. This includes the neckline, shoulders, sleeves, and hemline areas. The Church Activity Coordinator must approve all styles of clothing to be worn by the wedding party.

Photography: The photographer is at liberty to move around during the ceremony to take pictures as needed.

No alcohol, smoking, or inappropriate behavior will be allowed on church premises. The applicant will be held responsible for any damages to church premises.

Rice bags, potpourri, confetti and such items are not allowed inside or outside of the church premises. Love bubbles are the only favor allowed.

The flower girl is allowed to drop petals or such items only as she precedes the bride or bridal aisle runner.

Marriage license: License will be signed at the church building prior to the wedding party departing for the reception. It is usually witnessed by the best man and maid of honor. Legally they must be 18 years of age or older.
